Directors' report

The directors present their directors' report and audited financial statements of the Company for the year ended 31 March 2017.

Directors

The directors who held office during the year and up to the date of signing the financial statements were as follows:

C Cornish
K O'Toole
N Thompson

Employees

The Company's employment policies are regularly reviewed and updated by the Board.

The Company is committed to providing equality of opportunity to all employees and potential employees. The Company gives full and careful consideration to applications for employment from all people regardless of their gender, ethnic origin, nationality, sexuality, age, disability or religious beliefs, bearing in mind the respective aptitudes and abilities of the applicant concerned. This also applies to training and promotion within the Company.

In the event of members of staff becoming disabled, every effort is made to ensure that their employment with the Company continues and the appropriate training is arranged. It is the policy of the Company that the training, career development and promotion of a disabled person should, as far as possible, be identical to that of a person who does not suffer from a disability.

Diversity

The Company provides services for a changing and diverse society and the board of directors considers that to provide the best services for our customers it is essential that the Company embraces diversity in the workforce. Accordingly, the Company has a programme of activity that aims to ensure that these objectives are achieved.

Consultation and communication

Consultation with employees or their representatives has continued at all levels, with the aim of ensuring that views are taken into account when decisions are made that are likely to affect their interests and that all employees are aware of the financial and economic performance of their business units and of the Company as a whole. At regular intervals all employees are invited to take part in a Company-wide survey of employee views. Employees received a written summary of the results of the survey and are given the opportunity to discuss these with their respective management teams.

The Company is constantly looking for ways to ensure that employees are able to participate and engage in the business. As part of the Trade Union recognition arrangements various employee forums exist for each business area. In addition, business briefings are cascaded throughout the organisation to communicate key business and operational issues.

Financial risk management

The Company's activities expose it to a variety of financial risks. The Company's funding, liquidity and exposure to interest rate risks are managed by the Group's treasury function.

Treasury operations are conducted within a framework of policies, which are approved and subsequently monitored by the Board. These include guidelines on funding, interest rate risk management and counterparty risk management.

For more details of the management of these risks please refer to page 84 of the annual report and accounts for Manchester Airports Holdings Limited. The directors have not identified any additional risks specific to this Company.

Proposed dividend

The directors do not recommend the payment of a dividend for the year ended 31 March 2017 (2016: £nil).

Directors' report *(continued)*

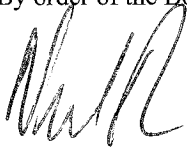

Disclosure of information to auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Independent auditor

A resolution re-appointing KPMG LLP as auditor for the financial year commencing 1 April 2017 will be proposed at that General Meeting of the Company at which these accounts are laid pursuant to Companies Act 2006 section 437.

Statement of directors' responsibilities in respect of the strategic report, the directors' report and the financial statements

The directors are responsible for preparing the strategic report, the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of The Manchester Airport Group PLC

We have audited the financial statements of The Manchester Airport Group Plc for the year ended 31 March 2017 set out on pages 7 to 22. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice) including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the strategic report and the directors' report for the financial year is consistent with the financial statements.

Based solely on the work required to be undertaken in the course of the audit of the financial statements and from reading the strategic report and the directors' report:

- we have not identified material misstatements in those reports; and
- in our opinion, those reports have been prepared in accordance with the Companies Act 2006.

Independent auditor's report to the members of The Manchester Airport Group PLC *(continued)*

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Notes

(forming part of the financial statements)

1 Accounting policies

The Manchester Airport Group PLC (the 'Company') is a company limited by shares and incorporated and domiciled in the UK.

The Company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

These financial statements were prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard* applicable in the UK and Republic of Ireland ('FRS 102') as issued in August 2014. The amendments to FRS102 issued in July 2015 have been applied. The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £1,000.

The Company's ultimate parent undertaking, Manchester Airports Holdings Limited, includes the Company in its consolidated financial statements. The consolidated financial statements of Manchester Airports Holdings Limited are prepared in accordance with International Financial Reporting Standards as adopted by the EU, are available to the public, and may be obtained from Olympic House, Manchester Airport, M90 1QX.

In these financial statements, the Company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Cash Flow Statement and related notes; and
- Key Management Personnel compensation.

The Company has taken advantage of section 33.1A of FRS 102 and not disclosed transactions with fellow Group companies. 'Group' refers to the Manchester Airports Holdings Limited Group ('Group' or 'the Group').

As the consolidated financial statements of Manchester Airports Holdings Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- The disclosures required by FRS 102.11 *Basic Financial Instruments* and FRS 102.12 *Other Financial Instrument Issues* in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The Company proposes to continue to adopt the reduced disclosure framework of FRS 102 in its next financial statements.

The accounting policies set out over the page have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Notes (continued)

1 Accounting policies (continued)

1.1 Measurement convention

The financial statements are prepared on the historical cost basis.

1.2 Going concern

The Company is able to rely on the Group of which it is a member for financial support. Manchester Airports Holdings Limited, the Company's ultimate parent undertaking, has confirmed that it will continue to provide financial and other support to the Company, for at least the next twelve months from the date of approval of the financial statements, to the extent necessary to enable the Company to continue to trade, and in particular will not seek repayment of the amounts currently made available.

The Group has considerable financial resources, as well as with long-term contracts with a number of customers and suppliers across different geographic areas and industries. As a consequence, the directors of the Group believe that the Group is well placed to manage its business risks successfully despite the current uncertain economic outlook.

The Group's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the Group should be able to operate within the level of its current facilities.

After making enquiries and considering all available information, the directors of the Group have a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future. On the basis of the above, the directors of the Company consider it appropriate to prepare the financial statements on a going concern basis.

1.3 Foreign currency

The Company financial statements are presented in pounds sterling and rounded to thousands. The Company's functional and presentation currency is the pound sterling.

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions. At each period end foreign currency monetary items are translated using the closing rate. Foreign exchange gains and losses resulting from the settlement of transactions, and from the translation at period end exchange rates of monetary assets and liabilities denominated in foreign currencies, are recognised in the income statement account within other operating costs.

1.4 Classification of financial instruments issued by the Company

In accordance with FRS 102.22, financial instruments issued by the Company are treated as equity only to the extent that they meet the following two conditions:

- (a) they include no contractual obligations upon the Company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the Company; and
- (b) where the instrument will or may be settled in the Company's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the Company's own equity instruments, or is a derivative that will be settled by the Company's exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the Company's own shares, the amounts presented in these financial statements for called up share capital and share premium exclude amounts in relation to those shares.

Notes (continued)

1 Accounting policies (continued)

1.5 Basic financial instruments

Trade and other receivables / payables

Trade and other receivables are recognised initially at transaction price less attributable transaction costs. Trade and other payables are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade receivables. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments, discounted at a market rate of interest for a similar debt instrument.

Interest-bearing borrowings classified as basic financial instruments

Interest-bearing borrowings are recognised initially at the present value of future payments, discounted at a market rate of interest. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw-down occurs. To the extent that there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services, and amortised over the period of the facility to which it relates.

Investments in subsidiaries

Investments in subsidiaries are carried at cost less impairment, with changes recognised in other comprehensive income.

1.6 Revenue

Revenue, which excludes value added tax, represents amounts received and receivable by the Company for Group services provided in the normal course of business to other Group companies.

1.7 Employee benefits

The Company provides a range of benefits to employees, including annual bonus arrangements, paid holiday arrangements, and defined contribution pension plans.

Short term benefits

Short term benefits, including holiday pay and other similar non-monetary benefits, are recognised as an expense in the period in which the service is received.

Defined contribution plans and other long term employee benefits

The Company operates a defined contribution pension scheme for all qualifying employees. A defined contribution plan is a post-employment benefit plan under which the Company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an expense in the income statement account in the periods during which services are rendered by employees. Amounts not paid are shown in accruals in the statement of financial position. The assets of the plan are held separately from the Company, in independently administered funds.

Annual bonus plan

The Company operates a number of annual bonus plans for employees. An expense is recognised in the income statement account when the Company has a legal or constructive obligation to make payments under the plans as a result of past events, and a reliable estimate of the obligation can be made.

Notes (continued)

1 Accounting policies (continued)

1.8 Expenses

Operating leases

Payments (excluding costs for services and insurance) made under operating leases are recognised in the income statement account on a straight-line basis over the term of the lease unless the payments to the lessor are structured to increase in line with expected general inflation, in which case the payments related to the structured increases are recognised as incurred.

Lease incentives received are recognised in income statement over the term of the lease as an integral part of the total lease expense.

Interest receivable and interest payable

Interest payable and similar charges include interest payable and finance charges.

Interest income and interest payable are recognised in the income statement as they accrue, using the effective interest method

1.9 Significant items

Significant items are material items of income and expense that, because of the unusual nature or frequency of the events giving rise to them, merit separate presentation to allow an understanding of the Company's underlying financial performance. Such items include impairment of assets, major reorganisation of businesses and integration costs associated with significant acquisitions.

1.10 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the income statement account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the statement of financial position date, and any adjustment to tax payable relating to previous years.

Deferred tax is provided on timing differences that arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met; and differences relating to investments in subsidiaries, to the extent that it is not probable that they will reverse in the foreseeable future and the reporting entity is able to control the reversal of the timing difference. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable, or are disallowable for tax, or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the statement of financial position date. For investment property that is measured at fair value, deferred tax is provided at the rates and allowances applicable to the sale of the property. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Notes (continued)

2 Revenue

The directors consider the business to have only one segment. Revenue relates to group recharges relating to services provided by the Company to other Group entities. All of the Company's revenue arises in the United Kingdom.

3 Notes to the income statement

	2017 £000	2016 £000
<i>Loss before taxation is stated after charging:</i>

(1) Significant items of £5.9m (2016: £2.5m) include the costs of a number of restructuring programmes, costs incurred on the implementation of new systems that do not meet the criteria for capitalisation, and M&A activity.

Auditors remuneration

Amounts receivable by the Company's auditor and the auditor's associates in respect of services to the Company have been borne by the Company's ultimate parent, Manchester Airports Holdings Limited. The directors believe that the proportion of the consolidated fee applicable to the Company is £28,500 (2016: £22,000).

4 Remuneration of directors

N Thompson, C Cornish and K O'Toole were directors of Manchester Airports Holdings Limited during the year and their aggregate remuneration is disclosed in that company's consolidated financial statements. The directors believe that the proportion of their aggregate remuneration applicable to the Company based on services provided is £634,388 (2016: £644,025).
