Dear Sirs

**Common Terms Agreement dated 14 February 2014 between, among others, Manchester Airport Group Investments Limited as Security Group Agent and Citicorp Trustee Company Limited as the Obligor Security Trustee as amended on 26 June 2020 (the CTA)**

1. Capitalised terms not defined in this certificate have the meaning given to them in the Master Definitions Agreement (as defined in the CTA).
2. We refer to the CTA. This is a Compliance Certificate. The Calculation Date to which this Compliance Certificate relates is 31 March 2020.
3. We confirm that the ratios set out in Paragraph 2 (Financial Ratios) of Part 2 (Financial information) of this Schedule 2 (Security Group Covenants) to the CTA (together the **Ratios**) have been calculated.
4. We confirm that the Ratios are, in respect of the Relevant Historic Period, as detailed in the tables below:

<b>Ratio</b>	<b>Ratio for Relevant Historic Period/Calculation Date</b>
Interest Coverage Ratio:	5.6x
Leverage Ratio:	4.5x

5. We confirm that each of the above Ratios, together with the Distribution Ratios in respect of the Relevant Forward Looking Period have been calculated using the most recently available financial information required to be provided by the Obligors under Schedule 2 (Security Group Covenants) of the CTA and delivered together with this Compliance Certificate.
6. We set out in Appendix 1 the computation of the Ratios in respect of the Relevant Historic Period for your information.
7. Effective for the year ending 31 March 2020, Manchester Airport Group Investments Limited will adopt International Financial Reporting Standard (IFRS) 16 which, as with many companies, will

change the way that it accounts for leases. This Accounting Standard Change has no economic impact on the Parent. In accordance with Schedule 2 (Security Group Covenants) Part 1 (Information Covenants) of the CTA, the Parent provides notification to Recipients that the Accounting Standard Change shall not be taken into account when deriving or calculating the Ratios (Change of Basis Election). Note 37 of the Parent's Annual Report for the twelve months ended 31 March 2020 provides a reconciliation of the impact of IFRS 16 upon the primary financial statements when compared to the statements under the previous lease standard (IAS 17).

8. Pursuant to clause 2.2 of the Amendment and Waiver Deed dated 26 June 2020 between the Obligors and the Obligor Security Trustee (the "Amendment and Waiver Deed"), no member of the Security Group, including the Parent, may make a distribution during the Waiver Period, unless it is a Permitted Share or a Distribution made to an Obligor. We confirm that the Parent will not make any distribution in respect of a final dividend following provision of this Compliance Certificate and not make a payment in September 2020 in respect of Interest on the Shareholders' Loan.

9. We also confirm:

(a) that, other than in respect of any Obligor Event of Default provided in clause 4.4 of the Amendment and Waiver Deed, arising as a result of a COVID-19 Event (as defined in the Amendment and Waiver Deed) (which has been waived for the duration of the Waiver Period), no Obligor Default has occurred or is continuing;

(b) that the Security Group is in compliance with the Hedging Policy;

(c) that this Compliance Certificate is accurate in all material respects;

(d) that the amount of any Distribution made since the date of the previous Compliance Certificate (or, if none, the Initial Issue Date) is £71.3 million;
