1. Capitalised terms not defined in this certificate have the meaning given to them in the Master Definitions Agreement (as defined in the CTA).
2. We refer to the CTA. This is a Compliance Certificate. The Calculation Date to which this Compliance Certificate relates is 31 March 2023.
3. We confirm that the ratios set out in Paragraph 2 (Financial Ratios) of Part 2 (Financial information) of this Schedule 2 (Security Group Covenants) to the CTA (together the **Ratios**) have been calculated.

6. We set out in Appendix 1 the computation of the Ratios in respect of the Relevant Historic Period for your information.
7. We confirm that the Distribution Ratios in respect of the Relevant Forward Looking Period are satisfied.

8. Effective from the year ended 31 March 2020, Manchester Airport Group Investments Limited adopted International Financial Reporting Standard (IFRS) 16 which, as with many companies, changed the way that it accounts for leases. This Accounting Standard Change has no economic impact on the Parent. In accordance with Schedule 2 (Security Group Covenants) Part 1 (Information Covenants) of the CTA, the Parent has provided notification to Recipients that the Accounting Standard Change shall not be taken into account when deriving or calculating the Ratios (Change of Basis Election).

9. The Parent will not make any dividend distribution in respect of the period ended 31 March 2023, following provision of this Compliance Certificate. The Parent will make a payment of £47.6m in September 2023 in respect of Interest on the Shareholders' Loans. Taking into account the proposed distributions the Ratios will continue to be satisfied.
